# WELCOME TO EDMONTON

Welcome to our first IronPlanet/Cat Auction Services Canadian unreserved public auction. We are excited to have you join us with Finning, our host for this event. We are committed to bringing you the best selection of late-model, low-hour equipment. Today's unreserved public auction features equipment onsite from dealers in the region as well as equipment being sold virtually. Our technology makes it possible to bring this selection to you in a live, unreserved setting like today's auction.

We are committed to bringing you the services you need to buy with confidence. At today's auction:

- All equipment is backed by IronPlanet's IronClad Assurance® our guarantee that what you see in our inspection reports is what you get when the equipment shows up on your lot.
- Equipment Protection Plans may be available on qualified Cat® equipment. Terms & conditions may apply.
- Cat® Dealer Parts and Service Support

We want to make your bidding and buying experience as easy and efficient as possible. Today, we have representatives onsite from IronPlanet, Finning, Cat Financial and Veritread who are eager to assist you.

**Enjoy the day. We are glad that you are here.**

## MEET OUR CANADIAN TEAM

You may know IronPlanet Canada as the best place to buy and sell used heavy equipment online. Now, you'll also know us as Cat Auction Services, our live unreserved marketplace based in Edmonton, Alberta. Meet the team. We are all here today and look forward to meeting you.

### **Gord McDougall**

Managing Director, Cat Auction Services, Canada

Gord joined IronPlanet in April and is responsible for managing and growing our Cat Auction Services business in Canada. A 30-year industry veteran, he was with Finning for 21 years. In his most recent role there, he was president

and general manager of The Cat Rental Store operations in Western Canada, where he led a team of 430 employees across 30 locations. Previously, he held many sales and management roles within Finning, including as the corporate remarketing manager for Finning Canada.

### **Matt Bousky**

Vice President, Canada & Global Mining, IronPlanet

Matt runs IronPlanet's Canadian and global mining businesses. He travels from North America to Australia or wherever the business takes him to help place used heavy mining equipment with new buyers around the world. Matt

was IronPlanet's first sales associate and helped build IronPlanet's global sales team from the ground up.

Prior to joining IronPlanet, Matt was a district sales manager for Caterpillar Inc. where he managed dealer relationships and provided programs to help maximize their performance and profitability. In addition, he served as a product specialist for wheel loaders, helping to launch the Cat® G-Series, and as a business analyst developing pricing strategies for parts and machinery.

## Sue L. McGregor

Managing Director, Canada,  
IronPlanet

Sue is responsible for expanding IronPlanet's sales and operations in Canada. She has 20+ years' experience in the Canadian environmental, construction and utility industries, with a focus on the oil and gas services market.

Prior to joining IronPlanet, she served as vice president, area general manager, Western Canada for Aggreko, where she was responsible for planning and managing the strategic direction of several regions. Prior to Aggreko, she held the positions of Regional Sales and Marketing Director for RSC Equipment Rental and Director, Sales and Marketing at ALS Laboratory Group.

## Craig Wronko

Field Operations Manager, Cat Auction Services, Canada

Craig is responsible for all operations at Cat Auction Services, Canada, on Acheson Road West, including yard and auction management activities for our new yard in Edmonton. He is a manufacturing industry veteran having worked in oilfield pipeline and facilities construction, agriculture and roadway/specialty paving industries.

Most recently, Craig was an EVP with ATR Manufacturing where he spent 14 years. Craig's education was in biomechanics and exercise physiology. Early in his career, he designed the very first cross country roller ski, Nordic Skate, with the Canadian national ski team.

## FINANCE YOUR MACHINE

You can count on Cat Financial to provide the best finance and extended protection solutions for your business. For more than 30 years, we have helped Caterpillar and our customers succeed through financial service excellence. We offer finance, lease and extended protection services for nearly every market Caterpillar and its dealers serve—including heavy and general construction, forestry, mining, marine, industrial, quarry and aggregates and power generation.

Whether you are looking to finance a piece of equipment, acquire working capital, improve cash flow or protect your investment, we understand your business and have the solutions you need.

**Your Cat Financial reps will be on-site starting the day before the auction. Stop by their booth or visit [cafinance.cat.com](http://cafinance.cat.com) or call 800-561-3771**

## CAT FINANCIAL COMMERCIAL ACCOUNT

Cat Financial Commercial Account is a convenient way to pay for purchases at Cat auctions. In addition to having a best-in-class interest rate, no annual fees, online access 24/7, detailed monthly statements and real-time credit approvals, customers will enjoy flexible

financing options on the purchase of equipment parts, attachments/work tools, generator sets, Extended Service Coverage and other small-dollar equipment.

Customers can also use Cat Financial Commercial Account to pay for anything offered at any Cat® dealer or Cat Rental Store in the U.S. or participating dealers in Canada (with the exception of purchases of new Cat construction equipment).

## EQUIPMENT PROTECTION PLANS

You count on your Cat machines and power systems to get the job done, day in and day out. Now, choose a level of protection that's just as dependable and long-lasting.

No matter what industry you're in, your Cat dealer offers an exclusive zero deductible Equipment Protection Plan for protection against unforeseen repairs due to defects in material and workmanship. Machines up to 10 years old may be eligible and both parts and labor are covered. Repairs are made using genuine Cat parts and service is completed by professionals at any authorized Cat dealership.

## CAT CLASSIC PARTS

Cat Classic Parts provide owners of older Caterpillar products with competitively-priced repair alternatives that minimize risk associated with non-genuine parts.

These parts are backed by the same warranty as original Cat parts. See the latest model/part number coverage here:

## **YOUR HOST: FINNING CAT**

Finning (Canada) is the world's largest Caterpillar dealer. We sell, rent and provide customer support services for Caterpillar equipment in British Columbia, Yukon, Alberta, Saskatchewan, the Northwest Territories, and a portion of Nunavut. The markets we serve include mining, forestry, construction, pipeline/oil field construction, agriculture, government sector, marine, transportation, fisheries, and the commercial transport industry. Wherever our customers are working in Western Canada, we're there to help them 24 hours a day, 7 days a week.

**Visit us at [www.Finning.com](http://www.Finning.com)**

## EVERY ITEM BACKED BY IRONCLAD ASSURANCE

Equipment with the IronClad Assurance buyer protection program means the item has been given a thorough inspection and the report is guaranteed to be an accurate description of the machine's condition. Inspection reports are available at [www.IronPlanet.com](http://www.IronPlanet.com).

## EQUIPMENT REMOVAL

### LOAD OUT TO BE COMPLETED BY NOVEMBER 20, 2015

**YARD HOURS:** Monday - Friday, 8 a.m. to 4 p.m.

A storage and handling fee of CAD \$40/day per lot, plus transport charges will apply to all equipment remaining on site after November 20, 2015.

Veritread is the only online transportation marketplace designed for the heavy construction equipment industry. They are our exclusive transportation partner. Veritread can help you with an estimate before you bid and upon completion of a purchase provide competitive quotes from their extensive network. A Veritread representative is onsite today to answer your questions.
